INTRODUCTION

This programme is set out by our Junior Activities Committee (JAC) as a guide to all events to be held during the 2018/19 Nipper Season. All events are subject to change without notice according to conditions on the day. Constructive criticism or queries are always welcome and should any parent wish to discuss matters regarding activities on the beach each Sunday, please see our Beach or Water Co-coordinators who are always willing to be of assistance.

OUR OBJECTIVES

To provide organised activities on the beach and/or in the water for children eligible to register for U7 to U14 age groups who are members of the Club. We aim to arrange demonstrations and instruction to develop surf life saving skills, good sportsmanship and citizenship among our boys and girls.

CLUB CHAMPIONSHIP AWARD

Club Championship awards are open to nippers from the U11-U14 age groups. Points are calculated from competitive carnival results throughout the season. Age Championship awards will be presented at the Surf Club presentation night.

NIPPER CAPS – CAPS MUST BE WORN AT ALL TIMES DURING NIPPERS. There is a NO START rule for Nippers not wearing their age group coloured caps/competition cap. After completion of Sunday events all children must be signed out by their parent or guardian. It is the Nippers responsibility to bring their own cap each Sunday. All Nippers must remove their caps before re-entering the water or playing on the beach. To be enforced by all AGE MANAGERS.

SWIM PROFICIENCY

Nippers are required to be competition proficient before they are eligible for club water events on any day or to compete in carnivals. A proficiency swim is performed in still water prior to commencement of Nippers. Having completed the pool swim, all age groups between U9 - U14 are required to complete an ocean swim competition course proficiency swim to the satisfaction of the Water Safety Coordinator and their Age Manager.
