

## HOW TO JOIN AS A NEW MEMBER OR REJOIN THE CLUB (after an absence of more than 2 years)

Please note that you must join or renew each one of your family members individually. First click on the join link provided on our [Membership webpage](#) and select Surf Life Saving Club.

A screenshot of the Surf Life Saving website's "JOIN" page. The page has a blue header with the Surf Life Saving logo and the word "JOIN" in large white letters. Below the header, there are social media icons for Facebook, Google+, and Twitter. A navigation bar contains "SLS Website" and "Contact". The main content area is titled "Entity Selection" and contains a form with the label "Select Entity \*:". There are three radio button options: "Surf Life Saving Club.", "Academy for Commercial Training", and "Other".

The system has full information on all clubs and organisations so you will then need to select the state (Queensland) and type in Sunshine Beach.

If you are new to Surf Life Saving, after you have entered your basic information you will be required to complete a full membership application form. This form has a number of required fields that must be completed. Keep in mind that we contact our members by email (and text messages if urgent) so please be sure to include this information.

Also note that when we send messages about nippers we send them to the email (or mobile no.) listed on the form for the nipper concerned (not the parent) so if you want to receive messages on behalf of your nipper please enter your email and mobile number on their form.

At the bottom of the application form are three acknowledgement boxes, one of which only applies if you are a parent or guardian applying on behalf of someone under 18.

Once your application has been submitted you will see a confirmation window which includes your unique tracking ID. You will be sent this information by email, along with a link which you can use to check on the progress of your application.

### Your application for membership has been submitted to Test NSW Club

The application needs to be approved before you become a member and you must fulfill all of the Terms and Conditions of the membership process required by SLSA and the Club. You can track the status of your application anytime using your tracking ID: [100005634127#235552](#).

**If you were previously a member of a surf club or other surf life saving organisation** then it is highly likely that there is a record in the national database.

After you have completed the basic details, and provided that your name and date of birth match up, the system should find your record. You will then be asked some simple security questions to enable correct identification. Please answer these questions as accurately as you can - they do not have to be 100% correct.

### Security Questions

We have noticed you are already in our system, this means you are a returning member which is great! We just need you to answer some quick security questions so we can confirm your identity

What was your previous Organisation?

In what suburb did you reside when you were last a member?

In what year were you last a member?:

What was your email address when you were last a member?:

If your name and date of birth details do not match up you will need to contact your previous organisation and ask them to correct your details.

### Next step

When you have filled out an application form and paid the club's fee, your application will be considered by the club. Membership is not automatic. If there is a delay or you need to ask a question, feel free to contact [Lifesaving Administration](#)

**After your membership has been accepted by the club** you will need to create an account at the [SLSA Members Portal](#) in order to manage your personal details and renew membership in years to come. You may also like to create a family group to manage all your family member details together.

If you are an existing member of our club and you simply wish to renew your membership or you are a member of another Club and wish to transfer please click on the renew link on our [Membership webpage](#) and use the guides to help you complete your registration.
