SEA EAGLE

4 JANUARY 2012

HAPPY NEW YEAR

President's Foreword

Happy New Year,

Hope your celebrations and time with family and friends was filled with warmth and laughter.

Thank you to everyone who put the hours in over our busy Christmas and New Year holidays. We witnessed amazing seas, and it was wonderful to see our beach full of tourists and locals enjoying the fruits of our unique location.

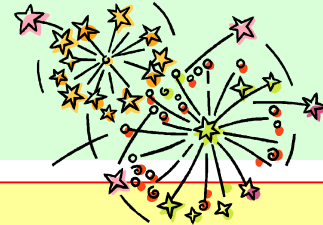

It was wonderful to meet our special patrol members from Brisbane, and we extend our thanks to them. Also, to our very willing and lovely helpers from Noosa; Dan, Michael, and Mathew who came over the hill to help out on New Years Day, thank you.

As we turn the pages of 2012, we will see the continuing growth of our beautiful Club.

Don't forget 10 Grand in the Hand is not far away, with tickets on sale now could we please have as many voices as possible selling this wonderful day, see how many ways you can segway your conversation to 10 Grand in the Hand! There are also posters available from reception if you know a good location, or alternatively, have reception email you a copy to print and display.

Onwards and upwards!

Jasmin Boyd
Acting President

WITNESS KING TIDES PROJECT

Helping people to adapt to a changing climate

This is a Green Cross Australia Project

The summer of 2012 will bring king tides to the coast and we need your help.

Green Cross Australia is a NGO that supports communities to adapt to our changing climate. We are running "WITNESS KING TIDES", a community photography project to track the king tides that occur on **Saturday 21st, Sunday 22nd & Monday 23rd January 2012**

Photos of the impacts of these high tides will form a mosaic of snapshots of what our Queensland coastline could look like in the future as a result of rising sea levels.

Having this visual collection of images will be used to assist with future planning and to raise awareness, especially in vulnerable areas.

Become a "Tide Tracker" by registering through the easy to use website, www.witnesskingtides.org
