Policy No: JA02	Version: 1
Effective Date: 5/06/2017	Approved Date: 23/07/2019
Revision Date: 23/07/2019	Approved by: Board of Directors

Purpose

The purpose of this policy is to provide clear guidelines for all members with respect to the hire of junior fibreglass nipper boards.

Introduction

The club owns a number of fibreglass nipper boards, available for hire by surf sports competitors.

Priority allocation will be given to Under 11 competitors to provide an opportunity to try a fibreglass board for a season before committing to purchasing their own craft.

Application

This policy applies to all eligible Club members with regard to the use of Club boards for U11 to U13 competitors.

Policy

The boards are for the use of members only, and under no circumstances may any person use or borrow a board of any type without the expressed permission of the Junior Activities Gear Steward.

The member shall use the fibreglass board in a manner that prevents damage to the board and agrees to report and repair any damages that may occur during their use.

Members wishing to hire a fibreglass nipper board are required to submit a Junior Fibreglass Board Hire Application Form. Upon approval and providing a suitable board is available, the Junior Activities Gear Steward shall issue a hire board to a member upon evidence of payment of the correct hire fee.

The hire board then becomes the responsibility of the member for the hire period.

Hired boards remains the property of the Club but can be used for personal enjoyment, training sessions and Club Sundays.

Members who hire boards should advise the Junior Activities Gear Steward of any damages to the board in the first instance and must return the board to the Club Steward in good condition at the end of the hire period.

The Junior Activities Gear Steward may request to inspect the board for damage at any time during the hire period. The hire period, cost of hire and other conditions of hire will be outlined on the Junior Fibreglass Board Hire Application Form.
