INTRODUCTION

This calendar is designed by our volunteer Junior Activities Committee (JAC) as a guide to all events held during the 2021/22 Nipper Season. Due to COVID-19 and natural weather cycles all events are subject to change without notice. Notification of changes will be given to all members via email and or text as well as facebook. Please see Sophie Olver or the Water Safety Co-ordinator regarding activities on the beach on any given Sunday or contact Sophie Olver for any general program enquiries/feedback.

OUR OBJECTIVES

To provide a fun, friendly, engaging and safe environment for children eligible to be a part of Sunshine Nippers U7 to U14 (and who are registered members of the Club) through organised activities on the beach and water. We aim to educate and instruct the Nippers to develop surf life saving skills, good sportsmanship and citizenship so each Nipper successfully achieves the relevant surf award.

CLUB CHAMPIONSHIP AWARDS

Club Championship awards are open to nippers U7-U10. Points are calculated from results of the Club Championship day as noted on the Nipper calendar. U11-U14 Age Championship awards are calculated from results at competitive carnivals throughout the entire nipper season (as outlined in the Surf Sports Handbook). Trophies/certificates/awards are presented at the Nipper Season Presentation as noted in the Nipper Calendar.

COVID-19 RESTRICTIONS

Age Managers will complete a roll of each Nipper. Parents are required to check-in using the QR code displayed around the club or in the Age Managers folder. Please sign in ALL family members and guests in attendance including your nipper(s). Please remember your pink rashie and nipper cap EVERY Sunday as due to restrictions we cannot provide 'loan' uniform items. U8 - U14s are required to BYO board to Nipper Sundays. No club boards will be available for use. Please carry a face-mask and respect social distance in all circumstances and wear the mask if this is not possible including on the beach.

PLEASE STAY AT HOME AND GET TESTED IF YOU ARE SICK OR HAVE ANY SYMPTOMS

Nipper caps & pink rashies MUST BE WORN AT ALL TIMES during sunday nippers & carnivals

SWIM PROFICIENCY

Nippers are required to be swim proficient and provide a completed swim proficiency form and also have to complete a run-swim-run proficiency on the beach/ocean to be eligible to participate in the Nipper Sunday program. They also have to complete a further ocean swim proficiency should they wish to participate in carnivals. The Age Managers and JAAO will have the final approval as to the proficiency of a Nipper and their eligibility/safety to participate in Sunday Nippers and or Carnivals.
